**Fantastic product : It really works!**

# Fresh Room Fragrances

STAY SAFER  
100% COMPLIANT

Ideal for Receptions, Washrooms, Offices,  
Hotels & Restaurants

### 15 Minutes Efficacy

In the majority of washrooms, air will circulate every 15 minutes. To maintain the levels of fresh fragrance in the room, one dose of odour controlling fragrance should be sprayed every 15 minutes. Neutrale Automatic Air Care systems reliably delivers 3,000 metered sprays and depending on the dispensing unit used and programme setting, lasts for 10 - 100 days without compromising fragrance efficacy.

### Our Fragrances are:

- Always Fresh.
- Guaranteed continuous strength, dispensing of odour controlling neutralisers & fragrances - up to 30 days per refill.
- A fresh, pleasant smell that reinforces high standards of cleanliness & hygiene.
- Odour controlling micro molecules float longer, spread further & smell stronger.

**1** **Ice Age**

Breathtaking scenery of massive icebergs and unique wildlife. Capture the wilderness and year-round freezing temperatures. Crisp citrus and cool mint notes followed by a floral blend and rich amber undertones.

**2** **Kilimanjaro**

Majestic, untamed scenery characterised by deserts, savannah plains and safari national parks, contrasted with snow capped Mount Kilimanjaro. A vibrant and complex blend of citrus herbal nuances with patchouli, caramel and musk.

**3** **Marrakesh**

Full of mystery and seductive delights. A rich, seductive fragrance combining florals, precious woods, amber and musk.

**4** **Charm**

Romantic, rich history, vineyards and outdoor living. A fresh, lively fragrance with fruity notes of mandarin and peach, interlaced with exotic floral notes.

**5** **Rain Forest**

Home to the world's largest rain forest and some of the most diverse and spectacular scenery on the planet. Strong and diffusive with green, leafy notes, combined with wild berries.

**6** **Oriental Nights**

A land of exotic beauty with unforgettable sunsets, sacred temples and ancient traditions. An intoxicating aroma of heady white florals, frangipani and white lily.
